STEP 2 – HIGH SCHOOL COMPLETION STATUS

Provide one of the following documents that indicate your high school completion status when you will begin college in **2023-2024**:

- Certification of a passing score on a test that your state authorizes and recognizes as the equivalent of a high school diploma. Test transcripts are acceptable documentation if they indicate that the final score is a passing score or that your state considers the test results to meet its high school equivalency requirements.
- A copy of the “secondary school leaving certificate” or similar document from the proper government agency for students who completed secondary school in a foreign country.
- An academic transcript that indicates you successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.
- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential is required.
- If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by your parent or guardian, that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.
- For a student who has not completed high school and is seeking enrollment in a program that leads to at least an associate degree or its equivalent, documentation from the high school that he excelled academically and from your school that he meets your written policy for admitting such students.
